On motion of Mr. Caldwell, House Bill No. 115 was ordered not printed.

MESSAGE FROM THE SENATE

Austin, Texas, November 8, 1935.
Hon. Coke Stevenson, Speaker of the
House of Representatives.

Sir: I am directed by the Senate
to inform the House the Senate has
adopted the following:

S. C. R. No. 13, Inviting Governor
McNutt of Indiana to address a joint
session of the Legislature on No-
vember 12, 1935.

The following committee has been
appointed on the part of the Senate:

Senators Burns, Shivers and Hop-
kins.

Respectfully,

BOB BARKER,
Secretary of the Senate.

PROVIDING FOR HEARING CERTAIN CHARGES

Mr. Fox moved that the House of
Representatives adjourn on Novem-
ber 14, at the expiration of the pres-
ent session, until December 2, 1935,
to reconvene for the purpose of hear-
ing and considering articles of im-
peachment preferred against Hon.
J. E. McDonald, by the House of
Representatives, on October 8, 1935.

Mr. Roane submitted the follow-
ing substitute for the motion by Mr.
Fox:

"I move that Mr. McDonald be re-
quested to appear before this House
at 2:00 o'clock p. m., Monday, No-
vember 11, 1935, and receive a
proper reprimand from some mem-
ber of the House, appointed by the
Speaker for that purpose, and that
upon his said appearance and rep-
rimand, that the pending impeach-
ment charges be and the same are
dismissed."

Mr. Lindsey raised a point of order
on further consideration of the mo-
tion by Mr. Roane, on the ground
that the House is without authority
to carry out the provisions of the
motion.

The Speaker overruled the point
of order.

Mr. Lindsey raised a further point
of order on consideration of the mo-
tion by Mr. Roane, on the ground
that the motion is not germane to
the original report.

The Speaker overruled the point
of order.

Mr. McConnell raised the follow-
ing points of order:

"Mr. Speaker, I raise the point of
order that the Constitution and laws
of the State of Texas, prescribe a
method of procedure for impeach-
ment proceedings and must be fol-
lowed; and that the House of Rep-
resentatives is wholly without legal
authority to consider a variance from
this procedure and that the Roane
resolution is therefore out of order.

"I raise the further point of order
that the House can only sit for im-
peachment proceedings and that
under the Constitution a person pun-
ished must be tried and punished
by the Senate.

"And I raise the further point of
order that the House has already
acted on this matter previously, a
Board of Managers appointed to pre-
pare for the hearing on the impeach-
ment proceedings, the Board has
complied with their duties, moved
that a day be set for the House to
reconvene for the purpose of hearing
evidence etc., and that the Roane
motion is therefore out of order."

The Speaker overruled the points
of order.

stitute motion by Mr. Roane.

Mr. Good submitted the following substitute for the motion by Mr. Fox: Hon. Coke R. Stevenson, Speaker of the House of Representatives. Austin, Texas.

Sir: Pursuant to House Concurrent Resolution No. 105, adopted at the Regular Session of the Forty-fourth Legislature, we, the following members, appointed to a committee by the Speaker of the House, beg leave to make this report to the Honorable House of Representatives concerning our findings with reference to the matters contained in the resolution under which we were appointed. The committee consisting of the following members of the House: E. E. Hunter, Leonard Westfall, Pat Dwyer, C. C. Canon and R. H. Good. The committee met in Austin, Texas, on Tuesday, June 4th, 1935, and proceeded to organize by electing E. E. Hunter as chairman, Leonard Westfall as vice-chairman, and R. H. Good as secretary.

This committee pursuant to authority granted by the above mentioned resolution proceeded to consider the evidence taken by a committee appointed by the Speaker of this House to investigate various State departments and bureaus, (a majority of which committee, after hearing many witnesses, reported to this House that in their opinion there was not sufficient evidence to impeach or in any other manner remove J. E. McDonald, Commissioner of Agriculture, from office).

This committee then proceeded, on several occasions, to hear other witnesses and review other evidence on matters pertaining to the charges set out in the resolution appointing this committee. The witnesses interrogated and the investigation made by us failed to develop any new facts, circumstances or matters that would warrant the filing of articles of impeachment.

We, therefore, beg to report that it is the opinion of this committee that since no new facts have been found, and further that since this House has heretofore received the report of the committee referred to above, that there is not sufficient evidence to warrant the filing of articles of impeachment and that this committee recommends that the

House take no further action in this matter.

Respectfully submitted,

WESTFALL,
GOOD,
DWYER.

Mr. Hunter moved to table the substitute motion by Mr. Good.

Question recurring on the motion to table, yeas and nays were demanded.

MESSAGE FROM THE SENATE

Austin, Texas, November 8, 1935.

Hon. Coke Stevenson, Speaker of the House of Representatives.

Sir: I am directed by the Senate to inform the House that the Senate has adopted the Conference Committee Report on House Bill No. 72 by the following vote:

Yeas 29, nays 0.

Respectfully,

BOB BARKER,
Secretary of the Senate.

TO GRANT WADE ROBIUON PERMISSION TO SUE THE STATE

Mr. Fisher offered the following resolution:

H. C. R. No. 18, To grant Wade Robiun permission to sue the State.

Whereas, It is alleged that on or about January 3, 1935, Wade Robiun sustained and suffered bodily

injuries when struck by a truck operated by an employee of the State Highway Department to-wit, Truett Smith, while the said Truett Smith was an employee of and engaged in the business of and for the said State Highway Department, said injuries alleged to have occurred in and near the town of Coahoma, Howard County, Texas; and

TO GRANT MRS. JULIA MARTIN,
ET AL, PERMISSION TO SUE
THE STATE

Mr. Hartzog offered the following resolution:

H. C. R. No. 19, Granting Mrs. Julia Martin and others permission to sue the State.

Whereas, On or about the twenty-fifth day of May, A. D., 1934, Mrs. Julia Martin, Miss Roberta Martin sister-in-law of Mrs. Julia Martin, while en route to Austin, Texas, in a 1932 model Ford coupe, owned by Mrs. Martin, of Goliad, Texas, driven by Miss Roberta Martin, after reaching a point approximately eight miles beyond Cuero on the Cuero-Yoakum highway, proceeding at the rate of about 38 miles per hour, came in sight of a State Highway Department truck which was just beginning the ascent of a slight incline. The road ahead being clear of all cars, the driver of the coupe sounded her horn on reaching the crest of the incline, and started to pass the State Highway Department truck; however, the driver of the said State truck, without holding out his hand or making any signal of any kind, suddenly turned to the left on the highway and stopped directly in front of the coupe. Although the brakes of the Ford coupe were working perfectly and the driver employed proper diligence and judgment in applying them, it was impossible to stop the car; and although the driver turned to the left as far as possible, there did not remain sufficient clearance of the road on the left hand side because of a large pile of rocks that had been placed along said highway for several miles by the Highway Department. As the truck completely blocked passage, it was impossible to prevent the car from colliding with the truck with a terrific shock.

As a result of the said collision, Mrs. Julia Martin received a severe cut, lacerations and bruises to the bone of her left leg. Miss Roberta Martin's lower lip was cut completely through, and Mrs. Kelly received lacerations and bruises about her mouth when her head and face came in contact with the windshield. Immediately after the wreck the three parties were taken to the Burns Hospital at Cuero to receive first aid treatment.

After being discharged from the hospital, Mrs. Julia Martin's left leg became swollen to approximately three times its normal size and became discolored. She was forced to remain in bed for over two months. Due to the injury, Mrs. Martin suffered a great deal of pain, mental

anxiety and loss of time. The injury is still troublesome and medical authorities state that it will be permanent. Mrs. Martin's car was damaged to such an extent that it was impossible to use the same, and she was forced to purchase a new car. Mrs. Martin alleges that she is entitled to compensation for personal injuries, loss of time and damages to her automobile, as follows:

Loss of time, pain and suffering and personal injuries	\$500.00
Medical services, Burns Hospital	75.00
Damage of car	115.59
Loss of use of car thirty days, at \$3.00 per day	90.00
Total	\$780.59

Miss Roberta Martin, who suffered a split lower lip and various severe bruises, was unable to perform her ordinary duties during the month that was required for her injuries to heal, and she alleges that she is entitled to damages for medical services, loss of time, pain and suffering resulting from physical injuries in the following amount:

Hospital bill	\$ 7.00
Pain and suffering and physical injury	50.00
Total	\$ 57.00

Mrs. Lela Kelly was thrown against the windshield, and the bridge that she was wearing was driven into the roof of her mouth, resulting in severe lacerations, bruises and injuries, and she was confined to her bed after being discharged from the hospital about ten days. As she was a widow, dependent upon her earnings, she alleges that she is entitled to receive compensation for personal injuries, pain and suffering, hospitalization and loss of time in the following amount:

Hospital bill, Burns Hospital	\$ 17.00
Personal injuries, pain and suffering, and loss of time	100.00
Total	\$117.00

Whereas, By reason of the fact that said accident caused, or resulted in the damages to the persons and property as above set out; and

Whereas, The said Mrs. Julia Martin, Miss Roberta Martin, and Mrs. Lela Kelly have not been compensated for said injuries and losses resulting therefrom; now, therefore, be it

Resolved by the House of Representatives, the Senate concurring, That the said Mrs. Julia Martin, Miss Roberta Martin, and Mrs. Lela Kelly be, and they are hereby, granted permission to bring suit against the State Highway Department of Texas, in a court of competent jurisdiction in Goliad County, Texas, in order to ascertain, fix and award the amounts of money, if any, that the said Mrs. Julia Martin, Miss Roberta Martin and Mrs. Lela Kelly are entitled to receive from the State of Texas and the State Highway Department of the State of Texas, as compensation by reason of such injuries and the resulting damages; and that in case such suit be filed, service of citation and other necessary processes be had upon the Governor of Texas, the Chairman of the State Highway Department of the State of Texas, and the Attorney General of the State of Texas, and that the same have the same force and effect as made and provided in civil suits in civil cases; and provided that either one of the parties to said suit shall have the right to appeal without the execution of bond; and any judgment that may be finally established against the State of Texas and the State Highway Commission of Texas or either of them, in said suit, shall be a liquidated debt and shall be paid by the State Highway Commission of Texas out of the State Highway Funds.

The resolution was read second time.

On motion of Mr. Alsup, the resolution was referred to the Committee on State Affairs.

TO MEMORIALIZE THE PRESIDENT AND THE CONGRESS OF THE UNITED STATES

Mr. Venable offered the following resolution:

To the President and the Congress of the United States of America:

Your memorialist, the House of Representatives of the Legislature, of the State of Texas, in session, respectfully represents:

Our nation as a whole and our people as individual units of the nation are suffering from and because of a general paralysis of business, industry and trade. The normal flow of all branches of commerce is obstructed and many marts of trade partially or wholly suspended, thus preventing them from rendering their usual services to the public at large and to the people of the United States as individuals.

This stagnation in business, from whatever cause or causes originated, has and still is causing enormous losses everywhere, equally to concentrated capital engaged in the basic

industries of our country and also to the individual citizenry of our nation, carrying with it on the crest of its foremost waves of misery, suffering and want, to those of limited means, who, because of this depression in industry and trade are deprived of the privilege of earning their daily wage, in order that they might relieve the gnawing pangs of hunger or clothe the weakening body against the rigors of winter's chilling blasts.

These deplorable conditions are so widespread and universal in the extent to which they affect the citizenry of the nation, that it is breeding a dangerous discontent, fostering socialism, instilling the idea of communism, and is wholly destructive of the morale of a large and growing number of people to such an extent as to give the gravest warning and apprehension for the safety of the general government.

It is clearly apparent that so long as the general populace of the nation has no buying power, nor the opportunity to create a buying power, that any effort to stimulate either trade or industry, must of necessity be sporadic in its nature and in the end a failure as has been repeatedly proven.

All efforts so far in the giving of relief have been either local in character or applied for the relief of certain classes of citizens or to stabilize or stimulate certain trades or industries, and that all like proposals made by financial and industrial leaders and by many members of the Congress of the United States, are of a like character, and as your memorialists fully believe must in the end also fail to meet the nation's needs. And, indeed the Social Security Act of the recent Congress, and whatever shall be done by this body upon old age pensions effectuating the amendment voted by the electorate last August, will only be humanitarian and not economic, and cannot stimulate or stabilize to the extent needed and desired.

Without decrying the potential local or class benefits to be derived from such measures as sponsored, we would call your attention to a measure of proposed legislation which we believe would meet the nation's needs and give immediate relief to all who need. The proposed legislation to which reference is made is known as the "Townsend Old Age Revolving Pen-

sion Plan" which is simple, self-executing, self-liquidating and nationwide in its application. It does not contemplate nor require any changes in the set-up of our government or the establishment of any new departments. We represent the plan to be substantially as follows:

The payment to each citizen of the United States, both men and women, who have led clean, law-abiding lives, and shall have attained the age of sixty (60) years, the sum of not to exceed Two Hundred (\$200.00) Dollars per month, based upon pro rata distribution of the amount raised divided by the number of annuitants entitled to and accepting the same, under the express condition that the money so received as such annuity shall be spent in the United States of America within the calendar month in which received, and for commodities and services. No part of it may be expended for investments of any kind. That the recipient shall retire from remunerative position.

In support of this constructive plan, we submit the following:

First:

It is a primary duty of all civilized governments to provide its subjects and citizens with a flexible, liquid, rapid-moving, medium of exchange, whose value must be kept fairly constant, and whose flow through channels of trade and commerce must be constant and uninterrupted.

Second:

That whenever basic industries unite or individuals combine to disturb the steady and regular flow of this exchange medium or to unreasonably depress its value, it is the duty and a proper function of the national government to place a restraining hand upon their activities so as to restore and preserve its exchange value.

Third:

Available records indicate the following burdens now borne by citizens of the United States, to-wit:

In 28 states cost and upkeep of poorhouses with 775,000 inmates \$2,500,000,000.00.

All forms of relief \$36,000,000,000.00.

Cost of all forms of crime \$18,000,000,000.00.

Cost to labor by reason of lower wages and loss of time (1932) \$25,000,000,000.00.

Loss by strike (1927) 37,000,000 days.

Loss to trade and industry unknown, but appalling.

The 1930 census gave 10,300,000 citizens, who by reason of age would be entitled to this annuity, with a probable 2,300,000 whose income is in excess of the \$200.00 per month annuity.

That, with the retirement of 4,000,000 of the remaining 8,000,000 from gainful occupations there would at once be created openings for approximately 4,000,000 men. That the regular expenditure of \$200.00 per month throughout the year creates a new job—with 8,000,000 men expending regularly \$200.00 per month there would be 8,000,000 more news jobs created, which would absorb all of the unemployment willing to accept the same. That this condition could be brought about in ninety (90) days time. That this re-employment of labor would greatly reduce the amount now being expended for relief. It would also greatly reduce crime, and would wipe out the entire loss to labor by reason of unemployment.

Fourth:-

That the aged persons of the country are quite evenly distributed and that a regular payment to them of not to exceed \$200.00 under the proposed restrictions of the Townsend Old Age Revolving Pension Plan, places buying power in every community—that it distributes and redistributes an exchange medium throughout the length and breadth of the land whose steady and regular flow cannot be interrupted, by any economic condition, save a general public disaster and whose exchange value can be maintained by governmental regulation thus preventing its becoming "frozen."

Wherefore, Your memorialist prays that you examine carefully into all merits of the aforesaid Townsend Old Age Revolving Pension Plan, and that you devote to it your most searching analysis of its merits, and, if you find that this plan has to its credit the merit that is claimed for it, and will do all or a substantial part of saving and removing the burdens hereinabove set forth in section Third,

and be "the greatest good to the greatest number" of the citizenship of the nation, that Your Honorable Body will at once enact it into law, to the end that industry, and trade may be placed at normal; that labor may have a chance to earn its wage, that the general morale of the country may be restored and want and suffering be driven from our land.

Wherefore, Your memorialist further prays that the Congress levy the transaction tax as defined in the McGroarty Bill, and other taxes therein provided upon commodities and all transactions as therein provided for the fund to meet all future monthly payments. All funds from such tax levy to be "ear-marked" as in said bill provided for this specific purpose and none other.

And Your Memorialist will ever pray.

VENABLE,
STOVALL,
By request.

The resolution was read second time.

On motion of Mr. Petsch, the resolution was referred to the Committee on Federal Relations.

TO PROVIDE FOR COMMITTEE TO INVESTIGATE CERTAIN WAGE SCALES

Mr. Youngblood offered the following resolution:

Whereas, Since House Bill No. 54 has been enacted, the State Highway Department has continuously evaded the provisions of House Bill No. 54 by unfair so-called classification which means no more than a subterfuge to evade the provisions of this Act; and

Whereas, Concerted efforts have diligently sought to have these unfair practices discontinued so as to conform to the provisions of House Bill No. 54; all efforts have been continued to be ignored by the State Highway Commission; and

Whereas, The Legislature was appealed to in the Fourth Called Session of the Legislature by House Concurrent Resolution No. 4, setting forth the refusal of the Highway Department complying with the provisions of this Act; and

Whereas, House Bill No. 155 passed the House in Regular Session of the Forty-fourth Legislature and was attacked in the Senate by the State

Highway Engineer, Gib Gilchrist, with a series of the most scurrilous nature and therefore lobbied against and prevented the passage of House Bill No. 155 which sought to amend House Bill No. 54, an Act of the Regular Session of the Forty-third Legislature, which sought a correction to set a minimum wage by law, which is well within the rights of the State, instead of by awarding body; and requiring the awarding body to ascertain and predetermine through the State Labor Commissioner where this information will be on file at all times and for the benefit of any one that desired this information instead of the system now practiced by the Highway Department. No one knows where they get the information, or can find out from what source it comes, and they, as a public body, refuse to produce the confidential records if you desire to see them; and

Whereas, A large body of the workers of Texas met in Waco, Texas, on May 13th, 14th, and 15th, of 1935 and expressed their disappointment of being unable to get relief from this tyrannical practice; and

Whereas, This large body of workers passed a unanimous resolution by citing the continual practice; and that it was plainly evident that the said Gib Gilchrist, State Highway Engineer, has violated Section 1, of Article 2 of the Constitution of the State of Texas, by lobbying, in writing, and untruthfully and with malicious intent, causing a prejudice against said House Bill No. 155 in the Senate to the extent that said Senate refused to take up and consider said legislation; and

Whereas, Said practice should not be condoned or allowed in that it promotes and protects the low wage contractors that have always had a feast on highway contracts and makes an unfair practice of competition in the contracting field with the difference being a discrimination borne solely by labor that is not absorbed in any way by the use of materials that have standard uniform price structure which is contrary to free government; therefore, be it

Resolved, That the Speaker of the House of Representatives appoint five members for the purpose of investigating wage scales now paid by contractors, and other irregularities in awarding contracts by the State Highway Department, and that the Committee hereby created be limited in expenses

not to exceed Two Hundred (\$200.00) Dollars which shall include hotel, telegraph, telephone, postage and other expenses necessarily incurred in the discharge of their duties. In addition to such expenses all necessary traveling expenses shall be allowed members of the committee.

The resolution was read second time.

Mr. Petsch moved that the resolution be referred to the Committee on Highways and Motor Traffic.

Mr. Wood of Harrison moved as a substitute motion, that the resolution be referred to the Committee on Labor.

Question first recurring on the motion by Mr. Wood of Harrison, it prevailed.

Question then recurring on the motion by Mr. Petsch, as substituted, it prevailed.

Hon. Walter F. Woodul, President of the Senate.

Hon. Coke Stevenson, Speaker of the House of Representatives.
Austin, Texas.

Sirs: We, your Conference Committee, appointed to adjust the differences between the House and Senate on House Bill No. 72,

A bill to be entitled "An Act authorizing the commissioners court in certain counties to allow each county commissioner certain expenses for traveling in connection with official business; providing the funds; providing for filing of itemized accounts, and declaring an emergency,"

Have had same under consideration and beg leave to report back with the recommendation that the bill be passed in the attached form.

H. B. No. 72.

A BILL

To Be Entitled

An Act authorizing the commissioners court in certain counties to allow each county commissioner certain expenses for traveling in connection with official business; providing the funds; providing for filing of itemized accounts, and declaring an emergency.

Be It Enacted by the Legislature of the State of Texas:

Section 1. In any county in this State having a population of not less than twenty-four thousand, two hundred (24,200) and not more than twenty-four thousand, five hundred (24,500), and in any county having a population of not less than twelve thousand, two hundred (12,200) and not more than twelve thousand, three hundred (12,300), according to the last preceding Federal Census, the Commissioners Court is hereby authorized to allow each Commissioner the sum of Twenty-five (\$25.00) Dollars per month for traveling expenses within the county while on official business which said sum shall be paid out of the Road and Bridge Fund of the respective Commissioner's precinct, and/or the General Fund of the county not

to exceed fifty (50%) per cent of said expenses, and each Commissioner shall make under oath an itemized account of his expenses for each month.

Section 2. In any county in this State having a population of not less than thirty-two thousand, eight hundred (32,800) and not more than thirty-two thousand, eight hundred fifty (32,850), according to the last Federal Census report, and having a Special Road Law for such County, the Commissioners Court is hereby authorized to allow to each commissioner the sum of Fifty (\$50.00) Dollars per month, payable out of the Road and Bridge Fund of such county, for expenses incurred within the county while on official business, and each commissioner shall make a certified itemized report to the Commissioners Court each month showing expenses incurred for which refund is claimed.

Section 3. Section 4. The fact that in the class of counties affected by this Act the salaries fixed by Statute for Commissioners are inadequate to compensate and to pay such officials' expenses and the further fact that the commissioners in such counties, under the law as it now exists, are required to furnish their own conveyances, to pay the upkeep of same, and the further fact that such commissioners have an exceptional territory to serve and to supervise in the maintenance, constructing and repairing the roads therein situated with attendant increase of expenses, create an emergency and an imperative public necessity that the constitutional rule, requiring bills to be read on three several days in each House, be suspended, and this Act shall take effect and be in force from

HOUSE BILL NO 112 ON SECOND READING

(By unanimous consent)

The Speaker laid before the House, on its second reading and passage to engrossment,

H. B. No. 112, A bill to be entitled "An Act providing that wherever a person has died or may die, testate, owning property in Texas, and such person's will has been or may be admitted to probate by the county court, and such probated will names an independent executor, or executors, and/or trustees to execute the terms and provisions of the will, or provides that no other action shall be had in the courts of Texas in reference to the settlement of the estate than the probating and recording of the will and the return of an inventory, appraisalment and list of claims of the estate dealt with in the will, or contains language of similar import, and such independent executor, or executors, and/or trustees have died or shall die leaving unexecuted parts or portions of the will of the testator, and an administrator de bonis non, with the will annexed, etc., and declaring an emergency."

The bill was read second time.

Mr. Worley offered the following committee amendments to the bill:

Amend House Bill No. 112 by striking out all below the enacting clause and inserting in lieu thereof the following:

"Section 1. Wherever a person has died, or may die, testate, owning property in Texas, and such person's will has been or may be admitted to

probate by the county court, and such probated will names an independent executor or executors, and/or trustees, acting in the capacity of independent executors, to execute the terms and provisions of said will, or provides that no other action shall be had in the court of Texas in reference to the settlement of the estate than the probating and recording of the will and the return of an inventory, appraisement and list of claims of the estate dealt with in the will, or contains language of similar import, and such will grants to such independent executor, or executors and/or trustees, acting in the capacity of independent executors, the power to raise or borrow money and to mortgage, and such independent executor, or executors, and/or trustees, have died or shall die, resign, fail to qualify, or be removed from office, leaving unexecuted parts or portions of the will of the testator, and an administrator de bonis non, with the will annexed, is appointed by the county court having jurisdiction of such estate, and an administrator's bond is filed and approved by the court, then in all such cases, the county court may, in addition to the powers conferred upon such administrator under other provisions of the laws of Texas, authorize, direct and empower such administrator to do and perform the acts and deeds, clothed with the rights, powers, authorities and privileges, and subject to the limitations, set forth in the succeeding sections of this Act.

"Section 2. The county court, upon application, notice and hearing, may, by its order, authorize, direct and empower such administrator to raise or borrow such sums of money and incur such obligations and debts as the court may, in its said order, direct, and to renew and extend same from time to time, as the court, upon application and order, may provide; and, if authorized by the court's order, to secure such loans, obligations and debts by pledge or mortgage upon property or assets of the estate, real, personal, or mixed, upon such terms and conditions, and for such duration of time as the court may deem to the best interest of the estate, and by its order may prescribe; and all such loans, obligations, debts, pledges and mortgages shall be valid and enforceable against the estate and against such administrator in his official capacity.

"Section 3. The county court may order and authorize such administrator to have and exercise the powers and privileges set forth in the preceding section of this Act to the extent only that same are granted to the independent executor, or executors, and/or trustees, acting in the capacity of independent executors, under the terms of the probated will of such deceased person, and then only in such cases as it appears, at the hearing of the application, that at the time of the appointment of such administrator, there are outstanding and unpaid obligations and debts of the estate, or of the independent executor, or executors, and/or trustees, or unpaid expenses of administration, or when the court appointing such administrator orders the business of such estate to be carried on and it becomes necessary, from time to time, under orders of the court, for such administrator to borrow money, and incur obligations and indebtedness in order to protect and preserve the estate.

"Section 4. The county court, in addition, may, upon application, notice and hearing, order, authorize and empower such administrator to assume, exercise and discharge, under the orders and directions of said court, made from time to time, all or such part of the rights, powers and authorities vested in and delegated to the independent executor, or executors, and/or trustees, acting in the capacity of independent executors, under the terms of the will of such deceased person, as the court may find to the best interest of the estate and may, from time to time order and direct.

"Section 5. The granting of such administrator by the county court of some, or all of the powers and authorities set forth in this Act, shall be upon application filed by such administrator with the county court clerk, setting forth such facts as, in the judgment of the administrator, require the granting of the power or authority requested.

"Section 6. Upon the filing of such application, the clerk shall issue citation to all persons interested in the estate, stating the nature of the application, and requiring such persons to appear on the return day named in such citation, and show cause why such application should not be granted, should they choose to do so.

"Section 7. Such citation shall be served by posting one copy thereof at the courthouse door for not less than ten (10) days before the return day thereof, and the citation and return shall be recorded as other citations and returns.

"Section 8. The court shall hear such application and evidence thereon, upon the return day named in the citation, or thereafter, and if satisfied a necessity exists and that it would be to the best interest of the estate to grant said application, in whole or in part, shall so order; otherwise, the court may refuse said application. The court's order shall be entered in the minutes of the county court.

"Section 9. The validity of any provision or part of this Act shall not be dependent upon any other provision or part thereof. If any provision or part thereof shall, for any reason, be held unconstitutional or invalid, such decision shall not effect the validity of any of the remaining provisions or parts of this Act.

"Section 10. The fact that the administrators de bonis non, with the will annexed, governed by the provisions of this Act, are and will be handicapped in preserving the properties and assets of estates being administered by them, in the absence of this express authorization and grant of power, creates an emergency and an imperative public necessity, and authorizes the constitutional rule, requiring bills to be read on three several days in each House, to be suspended, and said rule is hereby suspended, and that this Act shall take effect and be in force from and after its passage, and it is so ordered."

Amend House Bill No. 112, by striking out all above the enacting clause and inserting in lieu thereof the following:

"An Act providing that wherever a person has died or may die, testate, owning property in Texas, and such person's will has been or may be admitted to probate by the county court, and such probated will names an independent executor, or executors, and/or trustees acting in the capacity of independent executors, to execute the terms and provisions of the will, or provided that no other action shall be had in the courts of Texas in reference to the settlement of the estate than the probating and recording of the will

and the return of an inventory, appraisal and list of claims of the estate dealt with in the will, or contains language of similar import, and said will grants to such independent executor, or executors, and/or trustees, acting in the capacity of independent executors, the power to raise or borrow money and to mortgage, and such independent executor, or executors, and/or trustees have died or shall die, resign, fail to qualify, or be removed from office, leaving unexecuted parts or portions of the will of the testator, and an administrator de bonis non, with the will annexed, is appointed by the county court having jurisdiction of such estate, and an administrator's bond is filed and approved, then in all such cases, the county court may, upon application, notice and hearing, in addition to the powers conferred upon such administrator under other provisions of the laws of Texas, authorize, direct and empower such administrator to borrow such sums of money and incur such obligations and debts as the court may direct, and renew and extend the same from time to time, upon application and order of the court, and, if authorized by the court's order, secure same by pledge or mortgage upon property and assets of the estate, real, personal or mixed, and upon such terms and conditions and for such duration of time as such court may deem to the best interest of the estate, and by its order may prescribe, all such loans, obligations, debts, pledges and mortgages to be valid and enforceable against the estate and against the administrator, in his official capacity; providing that the foregoing powers shall be conferred by the county court to the extent only that same are granted to the independent executor, or executors, and/or trustees, acting in the capacity of independent executors, under the terms of the probated will, and then only in such cases as it appears, at the hearing of the application, that, at the time of the appointment of such administrator, there are outstanding and unpaid obligations and debts of the estate, or of the independent executor, or executors, and/or trustees, or unpaid expenses of administration, or when the court appointing such administrator orders the business of the estate to be carried on and it becomes necessary, from time to time, under

orders of the court, for such administrator to borrow money and incur obligations and indebtedness in order to protect and preserve the estate; providing that, in addition, upon application, notice and hearing, the county court may order, authorize and empower such administrator to assume, exercise and discharge, under the orders and directions of said court, made from time to time, all or such part of the rights, powers and authorities vested in and delegated to the independent executor, or executors, and/or trustees, acting in the capacity of independent executors, under the terms of the will of such deceased person, as the court may find to be the best interest of the estate and may, from time to time, order and direct; providing that the granting of some or all of the powers and authorities under this Act shall be upon application, notice, citation, and hearing, and the court's order shall be entered in the court's minutes; providing that the validity of any part of this Act shall not be dependent upon any other portions, and should any part of this Act be held unconstitutional, same shall not affect the validity of the remaining portions, and declaring an emergency."

The amendments were severally adopted.

By unanimous consent of the House the caption of the bill was ordered amended to conform to all changes and with the body of the bill.

House Bill No. 112 was then passed to engrossment.
